3:30 pm EST

Ohio Stadium, Columbus, OH

The Ohio State community welcomes the Penn State Nittany Lions and their supportive fan base to Columbus for an intra-conference football event down by the Olentangy on Saturday. To mark the special occasion, there will be a tailgate hosted upon the grounds of the ag campus near the corner of Woody Hayes and Fyfe.

For those of you who might be unfamiliar, Penn State coined the phrase, "Saturday's are for the boys!" long before Barstool Sports and their "oh so edgy" personalities began branding the phrase on their internet platform. It is worth noting that the Penn State community doesn't interpret this slogan in the same manner as the Barstool ilk. While the team of internet folks shout "Saturday's are for the boys" to conjure the spirit of immature drunken shenanigans, the Penn Staters of the world ran with this slogan and developed a thriving culture of @\$%^&* little boys.

Page two.

And then, when it all was exposed to the public, they stood by Joe Paterno, who knew it was going on the entire time.

"Re-erect the statue!" the sick bastards clamor to this day.

Next, Penn State hired coach James Franklin, the slimy former Vanderbilt coach with a sordid history that any competent institution trying to shed a reputation of a rape culture would have avoided at all costs. And their fans continue to support this pile of garbage football program.

James Franklin looks like a penis.

And now you know--the rest of the story.

Good day!

Mr. Marbles won't be making the trip to the Columbus for the game as he had promised tailgating hosting duties for a lot of out of towners in town for the Northwestern - Michigan State game in Evanston. MSU at Northwestern has 11 am CT BTN Region Coverage written all over it, but the college football gods, as I've mentioned many times before, are a spiteful bunch, and elected to have it start at the same time as the Ohio State game. So, I'll be broadcasting the game from a parking lot outside of a stadium while a different game takes place inside. It aint easy being Mr. Marbles.

B1G Expert Pick'em

Each week, Kropkagate's team of expert prognosticators gamble their life savings away while attempting to predict the outcomes of all Big Ten contests. There's a two-way tie for first as we head into a difficult week of toss-up matchups. Will any of the experts separate from the pack and take a commanding lead? This drama must be just as exciting for the non-panel members reading this on the internet as it is for the participating members.
