WEEK 5 UPDATE

Breaking News:

- OSU defeats USC (two weeks too late).

TROY UNIVERSITY TAILGATE

A quick thanks to all those who showed up for the Troy University tailgate and game last week. With the loss to USC the week before, many fans may have quit on the season like those of Stoleygate but the true fans keep on going. Last week many of you witnessed the unveiling of our new trailer which was a welcome edition and greatly simplified setup and transport. Thanks again to all those who have helped share the costs. With the added space, a new grill should be making an appearance this week. Once again, fans were treated to a great Saturday with excellent weather, a relaxed tailgate and a Buckeye victory to get back on the winning track. This Saturday brings the opening of the Big Ten season and only 4 home games left this season. As always, thanks to Drew and Laura Hall for their continued help each week.

FINANCING

Thanks to all those who have made a donation for the new trailer. With the help of many of you, the trailer has finally arrived. Approximately \$750 has been raised to date. I am still looking for help as finalized costs including the trailer, hitch, registration, and storage are around \$2500. Many of you have stated intent to help so here is another friendly reminder.
